

STRIKING GOLD
Handcrafted Boats

Striking Gold features quality hand made jewelry. The boats are made entirely by hand. Metal is rolled to desired size and paper templates are then applied. The gold is then carefully cut to accurate size, shaped and fit. After assembly all boats are polished and fine tuned. Finished boats are then nicely boxed and shipped to its destination. These boats show fine accuracy to sail shape and hull lines. We offer a 100% satisfaction guarantee.

Fleet 58 wishes to thank Hellamarine for their continued support of Fleet 58 and their commitment to the National Association. Through the efforts of Hellamarine we were able to obtain the imported Danish oil lamps given as trophies at this regatta. In addition, Hellamarine supplied several door prizes and made a cash contribution. Hellamarine manufactures navigation lights, cabin lights, and other electronic accessories. Hellamarine is a supplier of Catalina Yachts.

All You Need Is A Little Luck.

We've done our part; We've made the fastest, easiest to trim sails on the water. We assume you've done your part: You've practiced, tuned your boat and gotten together the best crew possible. Now you've got everything you need to do your best; you just need a little luck.

Good Luck from North Sails!
